# CALLS HIM CHARLATAN.

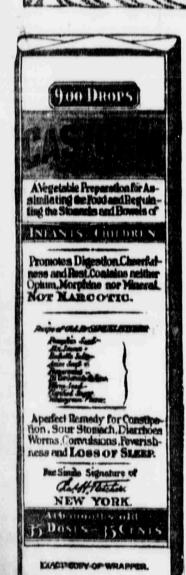

"He declines to say whether he will do t or not. This is either cowardise or nhumanity. If it is neither cowardice or inhumanity then it is confession that ie was wrong four years ago, that vrong now, that he is not a states-

man but a charlatan. The reasons for his reticence are easily understood. His crown of thorns upon the brow of labor is the aureole of electric light upon the brow of liberty enlightening the world; that light has been shed in every home. It has illuminated the dark places of the land with beneficent effulgence. It has penetrated Cuba, Porto Rico and the Philippines. "It has been a pillar of cloud by day and fire by night, which has led our own

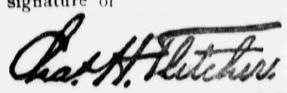

first step toward the abolition of the sweat shop. We have provided against excessive hours of labor to the provided against the wage carner. I has lifted to the provided against the p our country and the stability of our
